

**PRE**  
**2023**

**29<sup>th</sup>** European Paediatric  
Rheumatology Congress

**28 SEPTEMBER – 1 OCTOBER 2023**  
ROTTERDAM, THE NETHERLANDS

## SCIENTIFIC PROGRAMME

**Thursday 28 September 2023**

**16:30 – 18:50**

**Rotterdam Hall**

**Plenary: Welcome Ceremony**

- 16:30 – 16:35 Welcome to Rotterdam  
*Sylvia Kamphuis (NL)*
- 16:35 – 16:45 President Address  
*Angelo Ravelli (IT)*
- 16:45 – 16:50 ENCA Welcome  
*Christophe Normand (FR)*
- 16:50 – 16:55 HP Welcome  
*Polly Livermore (UK)*
- 16:55 – 17:00 EMERGE Welcome  
*Erdal Sag (TK)*
- 17:03 – 17:13 PREs Honorary Award Lecture  
*Berent Prakken (NL)*
- 17:15 – 17:35 A Year in Review in Basic Science  
*Christoph Kessel (DE)*
- 17:37 – 17:57 A Year in Review in Clinical Science  
*Claudia Bracaglia (IT)*
- 18:00 – 18:30 Barbara Ansell Lecture  
*Seza Ozen (TK)*

## Friday 29 September 2023

**08:30 – 10:00** **Rotterdam Hall**

**Plenary – Joint ENCA: Patient Empowerment**

**10:45 - 11:30** **Rotterdam Hall 1**

**Parallel - Joint with HP: Telemedicine blended**

10:45 – 11:05 Telemedicine in low-income countries  
*Raju Kubchandani (IN)*

11:05 – 11:25 Use of parental JADAS in telemedicine  
*Alessandro Consolaro (IT)*

**10:45 - 12:00** **Rotterdam Hall 2**

**Parallel: Up to date session Autoinflammatory disease (IL1/18, NFKB, IFNopathies)**

10:45 – 11:05 Interferon and mitochondria  
*Alice Lepelley (FR)*

11:05 – 11:25 New monogenic inflammatory diseases in 2022-2023  
*Marco Gattorno (IT)*

11:25 – 11:45 How to explore the innate immune system?  
*Trine Mogensen (DK)*

**10:45 - 12:00** **Mees 1**

**HP Session: Health literacy and patient education**

10:45 – 10:55 Physical Literacy in children with a chronic medical condition  
*Johannes Nordsta (NL)*

10:55 – 11:05 Addressing Health Literacy Needs in Paediatric Rheumatology

11:05 – 11:15 Creative ways of preparing children for hospital

**13:30 - 15:00** **Rotterdam Hall 1**

**Parallel: Great Debate: How do I define remission?**

13:30 – 14:00 Remission is defined by the clinic  
*Mia Glerup (DK)*

14:00 – 14:30 Remission if defined by the biology  
*Dirk Foell (DE)*

14:30 – 15:00 Remission is defined by the imaging

Linda Rossi (FR)

**13:30 - 15:00** **Rotterdam Hall 2**

**Parallel: Up to date session on scleroderma**

- 13:30 – 13:50 Lessons from the international inception cohort  
*Ivan Foeldvari (DE)*
- 13:50 – 14:10 What is new in research on juvenile scleroderma?  
*Katherin Torok (US)*
- 14:10 – 14:30 Current management of Localized scleroderma  
*Clare Pain (UK)*
- 14:30 – 14:50 jLS, the view of the dermatologist - Up to date

**13:30 - 15:00** **Mees 1**

**HP Session: Microbiota and epigenetics:  
Promising therapeutic approaches and lifestyle interventions in ped rheumatology**

- 13:30 – 14:00 Lifestyle interventions in paediatric rheumatic diseases
- 14:00 – 14:30 Physical exercise and health outcomes  
*Florian Milatz (DE)*
- 14:30 – 15:00 Sleep and epigenetics

**16:30 - 18:00** **Rotterdam Hall 1**

**Parallel: Best Abstract Clinical**

**16:30 - 18:00** **Rotterdam Hall 2**

**Parallel: Global health in Pediatric Rheumatology**

- 16:30 – 16:50 Osteoarticular manifestations in sickle cell disease  
*Faleye Ayodele (NI)*
- 16:50 – 17:10 jDM in Africa  
*Angela Migowa (KY)*
- 17:10 – 17:30 CLIPS project: international strategies to treat JIR  
*Michael Hofer (CH)*
- 17:30 – 17:50 Organizing Pediatric rheumatology care in challenging times  
*Natalia Shevchenko (UA)*

**16:30 - 18:00** **Mees 1**

**HP Session: Medication procedures and tolerance**

- 16:30 – 16:50 Objective assessment of methotrexate intolerance  
*Catherine Tranter (UK)*
- 17:30 – 17:50 MTX intolerance - EMDR  
*Lea Hoefel (DE)*
- 17:10 – 17:30 Pain and fear related to long term needle injections  
*Kari Sorensen (NO)*
- 16:50 – 17:10 Intra-articular injections distraction procedure (medical clown)  
*Sefi Uziel (IL)*

## Saturday 30 September 2023

**07:30 – 08:15** Rotterdam Hall 1

**Wake up educational session Basic immunology**

**07:30 – 08:15** Rotterdam Hall 2

**Wake up educational session: AI in Paediatric Rheumatology: how to use it**

How to use AI in PR

*Fuat Akal (TK)*

**08:30 – 10:00** Rotterdam Hall 1

**Plenary: Clinical & translational aspect of jSLE**

08:30 – 08:50 Patient introductive talk

08:50 – 09:10 Genetics in cSLE: what is new ?

*Linda Hiraki (CA)*

09:10 – 09:30 Mimics for Neuropsychiatric lupus

*A. Aggarwal (IN)*

09:30 – 09:50 Treat to target in cSLE

*Eve Smith (UK)*

09:50 – 10:00 CAR-T cells in SLE treatment

**08:30 – 10:00** Mees 1

**ENCA Session: Fatigue**

8:30 – 9:00 What is chronic fatigue and what is the difference (inc post covid)

*Sanne Nijhof (NL)*

9:00 – 9:30 Patient introducing talk. /impact on lives

*Rashmi Sinha (US)*

9:30 – 10:00 Practical tips

*Kari Cupp (US)*

**10:30 – 12:00** Rotterdam Hall 1

**Parallel: How I treat session Fibromyalgia in children  
(Idiopathic and iatrogenic osteoporosis, TMJ)**

10:30 – 10:50 HIT fibromyalgia

*Clara Malattia (IT)*

10:50 – 11:10 HIT Osteoporosis

11:10 – 11:30 HIT TMJ arthritis  
*Peter Stoustrup (DK)*

**10:30 – 12:00** **Rotterdam Hall 2**

**Parallel: Best Abstract session basic**

**10:30 - 12:00** **Mees 1**

**HP Session: Coping with pain**

8:30 – 9:00 Pain management without medications  
*Jana Mattei (DE)*

9:00 – 9:30 Effective and ineffective pain communication in children  
and young people with chronic musculoskeletal pain.  
*Rebecca Lee (UK)*

9:30 – 10:00 Parents of a child with rare disease  
*David Gosar (SI)*

**15:50 – 17:20** **Rotterdam Hall 1**

**Plenary: Great debate about ILAR Classification**

15:20 – 16:05 It should be essentially clinical  
*Nicola Ruperto (IT)*

16:05 – 16:50 It should be about system biology  
*Rae Yeung (CA)*

**15:50 – 17:20** **Rotterdam Hall 2**

**Parallel: Outcome and measure in JDM**

15:20 – 15:40 Pathogenesis and clinical novelties in JDM  
*Lucy Wedderburn (UK)*

15:40 – 16:00 Outcome measures in JDM  
*Liza McCann (UK)*

16:00 – 16:20 JAKi and JDM  
*Brigitte Bader-Meunier (FR)*

**15:50 – 17:20** **Mees 1**

**ENCA Session: The impact of diseases on education**

**17:30 – 18:30** **Rotterdam Hall 1**

**Parallel: Up-to date session Difficult to treat JIA**

17:30 – 17:50 Difficult to treat SoJIA: place of JAKi

15:50 – 18:10 Difficult to treat pJIA  
*Kirsten Minden (DE)*

18:10 – 18:30 Difficult to treat ERA & Psoriatic arthritis  
*Pamela Weiss (US)*

**17:30 – 18:30**

**Rotterdam Hall 2**

**Parallel: New drug development (bispecific ab, siRNA, CAR, GT....)**

17:30 – 17:50 ISG, Simoa and other news tools in biomarker research  
*Marjan Versnel (NL)*

17:50 – 18:10 Bispecific antibodies: inflammasome & cytokine blocker  
*Fabrizio De Benedetti (IT)*

18:10 – 18:30 Treatment development in Rheumatic disease: the view the Industry  
*Kiran Nistala (UK)*

**17:30 – 18:30**

**Mees 1**

**Patient and Public Involvement in Paediatric Research**

## Sunday 1 October 2023

**09:00 – 10:15**

**Rotterdam Hall 1**

**Plenary: Environment and Rheumatic diseases**

09:00 – 09:25 Climate and rheumatic diseases  
*Xavier Rodo (SP)*

09:25 – 09:50 COVID-19 associated vasculopathy  
*Ezgi Deniz Batu (TK)*

09:50 – 10:15 Gut & microbiota: a spark for the fire

**08:30 – 10:00**

**Rotterdam Hall 2**

**ENCA Session: Young People and Mental Health Session**

*Polly Livermore (UK)*

*Richard Beasley (UK)*

**10:45 – 11:40**

**Rotterdam Hall 1**

**Plenary: Great debate: Genotype or Phenotype first ?**

13:30 – 14 :15 Genotype First  
*Ivona Aksentijevich*

14:15 – 15:00 Phenotype First  
*Isabelle Koné-Paut (FR)*

**11:45 – 13:10**

**Rotterdam Hall 1**

**Interactive Thieves Market: Play & win !**

*Chair: Sylvia Kamphuis (NL)*
